Purpose

Two types of Mackenzie King Scholarships were established to support graduates of Canadian universities who are pursuing graduate studies. U of T is permitted to nominate two (2) candidates from each category to the national competition.

The Travelling Scholarship is awarded to applicants who have a degree from a Canadian university and are pursuing graduate studies in the areas of international or industrial relations within the United States or the United Kingdom. The Mackenzie King Board receives about 35 nominations annually for four scholarships, each of approximately $10,500 (number of recipients and value are subject to change).

The Open Scholarship is awarded to an applicant who has a degree from a Canadian university and is pursuing graduate studies in any discipline, within Canada or elsewhere. The Mackenzie King Board receives approximately 80 nominations annually from all universities to award one scholarship of approximately $8,500 (value is subject to change).

Eligibility to Apply

Due to the highly competitive nature of these awards and the number of potentially eligible University of Toronto students/alumni, individuals who apply through U of T must meet all of the following criteria at the time of application:

- Have applied for admission to a graduate program and will be commencing (or continuing in the 2\textsuperscript{nd} or 3\textsuperscript{rd} year of) full-time graduate studies in the upcoming 2019-2020 academic-year;
- Will have obtained a degree from a Canadian university (e.g., bachelor's degree, master's degree) when tenure of the scholarship begins (i.e. September 2019);
• Demonstrate a minimum grade of “A-” (80%, 3.7/4.0) in almost every undergraduate and graduate course completed to date. Applicants with a B+ or lower in any individual course are typically not considered (Travelling Scholarship applicants excepted); and
• Are at an early stage of their graduate program (Years 1-3).

Application Process

Each applicant must ensure that a complete application package is provided to the Graduate Awards Office (63 St. George Street, 2nd floor reception) in hardcopy by 4:30pm on Monday, January 14, 2019. U of T alumni may submit their applications by February 1, 2019 (4:30pm).

Applications that are incomplete, ineligible or are submitted after the deadline will not be considered. Applications or documentation sent directly to the Board administering the national competition will not be considered.

Results

SGS Graduate Awards Office will notify all U of T applicants regarding the status of their application and whether they are being nominated to the national competition in March.

Decisions regarding the national competition will be announced directly to successful nominees by the Mackenzie King Scholarship Selection Committee in July. Awardees will be asked to disclose any new award information upon accepting the offer. Candidates are generally not able to accept the scholarship if they have secured other funding that exceeds the “cap” of expected tuition plus $17,000. In some instances, a reduced amount may be offered.

Safety Abroad

Safety Abroad procedures are mandatory for all U of T students travelling outside of Canada, including to the U.S.A., and must be completed before the travel occurs (regardless of receiving award support). Travel conducted without completing all Safety Abroad requirements may cause automatic forfeiture of the award.

The following steps must be completed prior to departure and cannot occur retroactively:

• Complete the online registration request form. This should occur at least one month before departure. The Safety Abroad Office will register the student and send a confirmation email
• Sign on to the Safety Abroad Database and complete a profile, including emergency contact and passport and travel health insurance information
• Attend the appropriate Safety Abroad Workshop (valid for 1.5 years) - certain workshops are only offered once a month so be sure to plan accordingly in order to attend before travelling.
• Sign and submit waivers to the Safety Abroad Office
• Submit a Safety Planning Record (students should contact safety.abroad@utoronto.ca to confirm if this step is applicable to their travel).
• Obtain supplementary health insurance (if not already covered)
For travel to a region designated by Global Affairs Canada as "Avoid Non-Essential Travel" or "Avoid All Travel," students must contact the Safety Abroad Office at safety.abroad@utoronto.ca as soon as possible to request special approval for the trip.

Please contact the Safety Abroad Office at safety.abroad@utoronto.ca for further information on this process and/or the requirements.
