Welcome to U of T

Where else can you choose from over 280 graduate research, professional, and collaborative degree programs (www.sgs.utoronto.ca/programs), collaborate with top scholars and faculty across disciplines, join a network of distinguished alumni, and live in the most multicultural city in the world? Only at U of T.

Our three campuses house unparalleled research and education facilities as well as outstanding libraries. The historic St. George campus in downtown Toronto is an intellectual oasis in the core of Canada’s largest city, while graduate programs are growing rapidly at U of T Mississauga’s state-of-the-art campus and U of T Scarborough’s world-renowned research hub.

Our world-class graduate students are studying and working with the most productive research faculty in Canada. Their research is recognized internationally and published in leading journals; they also lead the nation in winning external research grants.

Learn firsthand from some of the world’s top researchers, scholars, and professionals as they work to solve the most urgent questions of the 21st century. Under their guidance, you’ll develop the skills and reputation you need to launch into a lifelong path of intellectual discovery and professional success.

Distinguished Alumni

From artists to astronauts, crusaders to storytellers, financiers to innovative entrepreneurs, and champions of causes to Olympic champions — as a U of T graduate, you become part of a wide network of esteemed alumni.
