"THE ABILITY TO MAKE MEANINGFUL CONNECTIONS WITH MENTORS AND PEERS IS SECOND TO NONE."

CLYDE MATAVA, TRANSLATIONAL RESEARCH IN THE HEALTH SCIENCES, MHSc STUDENT COLLABORATIVE SPECIALIZATION IN KNOWLEDGE MEDIA DESIGN FROM TORONTO, ON, CANADA
WELCOME TO U OF T

Where else can you choose from over 280 graduate research and professional programs, and collaborative specializations (www.sgs.utoronto.ca/programs), collaborate with top scholars and faculty across disciplines, join a network of distinguished alumni, and live in the most multicultural city in the world? Only at U of T.

Our three campuses house unparalleled research and education facilities as well as outstanding libraries. The historic St. George campus in downtown Toronto is an intellectual oasis in the core of Canada’s largest city, while graduate programs are growing rapidly at U of T Mississauga’s state-of-the-art campus and U of T Scarborough’s world-renowned research hub.

DISTINGUISHED ALUMNI

From artists to astronauts, crusaders to storytellers, financiers to innovative entrepreneurs, and champions of causes to Olympic champions — as a U of T graduate, you become part of a wide network of esteemed alumni.

**OTHER WAYS TO STUDY AT U OF T**

**Non-degree Study**
If you are changing disciplines or require preparatory work, consider becoming a non-degree special student.

[www.sgs.utoronto.ca/nondegree](http://www.sgs.utoronto.ca/nondegree)

**Joint Educational Placement**
Joint Educational Placement (JEP) students can pursue a full-time doctoral degree program under the joint supervision of faculty from U of T and a collaborating Canadian or international university who share common research interests.

[www.sgs.utoronto.ca/jep](http://www.sgs.utoronto.ca/jep)

**International Visiting Graduate Student (IVGS) Study Abroad Program**
U of T encourages qualified graduate students from international universities to undertake short-term research visits to the University to foster the exchange of ideas, receive specialized training, and participate in research collaborations.

[www.sgs.utoronto.ca/IVGS](http://www.sgs.utoronto.ca/IVGS)

**Exchange Students**
We welcome graduate students who are already registered at another university and would like to study at U of T for a session or full academic year.

[www.studentlife.utoronto.ca/cie/inbound-exchange](http://www.studentlife.utoronto.ca/cie/inbound-exchange)

HOW TO APPLY

1 Search our wide selection of innovative, cross-disciplinary programs
   Explore our programs at www.sgs.utoronto.ca/programs. Chances are, we’ve got what you’re looking for.

2 Learn about admission requirements
   Confirm your program’s admission requirements by consulting the SGS Calendar (https://sgs.calendar.utoronto.ca/). Visit your graduate unit’s website to confirm application procedures and deadlines. Some requirements you should consider: prerequisite degrees and courses, minimum GPA, application deadlines, and confirmation of supervision.

3 Prepare your application
   Some of the items you’ll need to include are: statement of intent; transcripts (academic records); curriculum vitae; any program-specific requirements; official GRE/GMAT, TOEFL/IELTS, or equivalent test scores if required.

4 Apply
   Set aside 30 to 60 minutes and start the process using our online application at apply.sgs.utoronto.ca.
