Value/Duration: Value dependent on registration fee & location of event

Level of Study: Full-time master’s or doctoral students

Required Legal Status: Domestic or international

Results: Late November (via U of T email address)

Purpose

The SGS Conference Grant provides modest financial support to eligible students who will be actively presenting their research at an academic conference.

This grant aims to provide successful applicants with funds to cover at least the minimum registration fee for the proposed conference as well as a modest top-up, when possible. Applicants are expected to seek support from various other sources in order to supplement their travel and other related expenses.

Eligibility to Apply

Preference will be given to students who are in the early stages of their academic career.

Students can apply for the grant before receiving acceptance to present at the conference. Applicants must:

- Be registered full-time in a graduate degree program (master’s or doctoral) at the time of each of the following:
  - Application;
  - Conference presentation; and
  - Requesting payment of grant;
- **NOTE:** Students are typically not registered during the session in which convocation occurs (e.g. not registered in May for June convocation).
• Be actively presenting their research (relevant to their current degree program) at an academic conference that occurs between September 1, 2017 – March 31, 2017;
• Be compliant with all departmental and U of T safety abroad procedures prior to travel (see “Safety Abroad” below);
• Have not received payment for an SGS Conference Grant during their current graduate degree program

Application Process

Full instructions are available on the SGS Conference Grant webpage. The online application will be available on Monday October 2\textsuperscript{nd}.

Please note:
• One application may be submitted per applicant in support of one conference;
• Successful applicants can request to apply their grant to a different conference after receiving the result of their application – full details are provided on the SGS Conference Grant webpage;
• The applicant will be required to enter their UTORid and password into the application;
• The application can be saved in draft form after completing the second page and will time out after two hours; and
• The application cannot be modified after submission.

Applicants are encouraged to:
• Notify their supervisor/advisor that they will be submitting an SGS Conference Grant application which will require their approval; and
• Confirm their supervisor/advisor’s correct email-address to avoid the risk of their application remaining incomplete.

Safety Abroad

All U of T students receiving credit, funding, or sanctioning from the University for an activity conducted outside of Canada must complete the following steps before the travel occurs:
• Complete the online registration request form. This should occur at least one month before departure. The Safety Abroad Office will register the student and send a confirmation email.
• Sign on to the Safety Abroad Database and complete a profile, including emergency contact and passport and travel health insurance information.
• Attend the appropriate Safety Abroad Workshop (valid for 1.5 years).
• Sign and submit waivers to the Safety Abroad Office.
• Submit a Safety Planning Record (if applicable).
• Obtain supplementary health insurance (if not already covered).

For travel to a region designated by Global Affairs Canada as “Avoid Non-Essential Travel” or “Avoid All Travel,” students must contact the Safety Abroad Office at safety.abroad@utoronto.ca as soon as possible to request special approval for the trip.

Conference travel conducted without completing all Safety Abroad requirements will cause automatic forfeiture of the SGS Conference Grant.

Please contact the Safety Abroad Office at safety.abroad@utoronto.ca for further information on this process and/or the requirements.
Results

All applicants will receive an email with their result via their U of T email address in late November.

Successful applicants will receive information regarding the offer amount and the terms and conditions of the grant. SGS Conference Grants cannot be deferred beyond a return date of March 31, 2018. Please see details regarding requests for changes on the SGS Conference Grant webpage.

Payment Activation

To receive payment, awardees must submit the following required documents within 14 days of the completion of their trip and no later than April 15, 2018 or by the end of the student’s last registered session, whichever is earlier. NOTE: Students are typically not registered during the session in which convocation occurs (e.g. not registered in May for June convocation):

1. A completed Payment Activation Form;
   Awardees will be expected to confirm on this form that all safety abroad requirements were completed prior to travel outside of Canada. Conference travel conducted without completing all Safety Abroad requirements will cause automatic forfeiture of the SGS Conference Grant.

2. Proof of conference attendance and active-participation; and
   a) Screenshot of, or URL to, webpage where online conference program, applicant’s name and title of presentation are posted (title and location of conference must be visible); or
   b) Official certificate of attendance/participation from conference organizer listing conference’s title and location, applicant’s name and title of presentation

3. Registration fee invoice.
   a) Receipt issued by the conference organizer showing the amount of the paid registration fee and the title of the conference
      • If the registration amount listed (as advertised) is significantly lower than the proposed registration fee amount the applicant specified within his/her application, the value of the grant may be adjusted accordingly
      • If the invoice is in a currency other than Canadian dollars (CAD), the applicant must provide a conversion showing the foreign currency amount and its equivalent amount in Canadian dollars (CAD)
   b) If registration fee will be waived / covered by the conference organizer:
      Applicants may enter the advertised registration fee amount (at the student-rate) into their application and receive an offer that consists of both the registration fee and location top-up amounts, if the applicant will also be able to provide the following items:
      • A screenshot from the conference organizer’s website (title of conference visible) showing the advertised registration fee amount at the student-rate; and
      • Email/letter from the conference organizer (title of conference mentioned) confirming that the applicant’s registration fee will be waived / covered

These documents must be sent as a single PDF file to conferencegrant@utoronto.ca Please allow two to three weeks for payment through ACORN.

Failure to submit the required documentation by the above deadline will result in the cancellation of the grant.
