Ontario Graduate Scholarship (OGS)

Applicant Form

Welcome to the Ontario Graduate Scholarship application for the University of Toronto. Prior to commencing, please refer to your graduate unit/department’s website to confirm details on their OGS submission deadline, click here for more information. Detailed instructions for the Ontario Graduate Scholarship can be found in the OGS Application Guide.

To create a new application, click “Start New Application” below.

Once you start a new application, it will be listed under the “Applications in Progress” section where you may edit, delete, or review and submit your application. After submission to the graduate unit, the application will move under the “Submitted Applications” section where you may view, save a copy, and be notified of the result of the submitted application.

Both references must be complete and submitted to the system before you can submit your application. Once your references are “Completed”, you will need to return to your application in progress to “Review and Submit”. Detailed instructions can be found in the OGS Application Instructions.

Institution country: Required

Please attach a copy of your transcript as a single PDF file (unofficial, student issued, or web copies are permitted). Official transcripts (outside of U of T) must be available in your departmental admission file to accept and hold the award.

- The file size cannot exceed 4MB.
- It must include one copy of the legend (grading scale) located on the reverse of each transcript or on the institutional website; do not scan the legend multiple times.
- Only one transcript per institution is required; do not attach duplicates.
- Do not upload digitally signed/certified/encrypted transcripts. Alternatively, print out and scan these transcripts as a PDF file, but be sure to verify that the new file is still legible on a computer screen.

Academic Achievements

SCHOLARSHIPS AND AWARDS
List scholarships, fellowships, prizes, and other academic awards you have received and think would be most pertinent to the adjudication of your application (most recent first). Include those indicated in the "Previous Government Awards" section.

Name of scholarship/award: 

Award category: Select

Award type: Select

If "Other", please specify:

Year awarded (yyyy):

Duration (in months):

Amount (if applicable):

Add another
RESEARCH CONTRIBUTIONS
List publications, presentations, posters or other significant work that was submitted to an external organization (e.g. a consulting report) using the referencing style for your discipline. List also your significant academic accomplishments in this section (e.g. research experience). Enter “N/A” if you have no Research Contributions to report. Content should not exceed two pages (7500 characters including spaces).

N/A

LEAVES OF ABSENCE AND/OR SPECIAL CIRCUMSTANCES
OGS adjudication committees take into consideration special circumstances that may have interrupted or delayed the completion of your current or a previous degree. If applicable, explain briefly any interruptions or delays to the completion of a degree or degrees. Specify the dates of the delay or interruption. Maximum 1/2 page (1975 characters including spaces).
Plan of Study

How would you like to provide your Plan of Study?

For a Plan of Study that includes special characters and/or graphics, choose "Upload a PDF file".

- Enter as text
- Upload a PDF file

Required
Academic References

Provide information on the two (2) referees who will each complete an Academic Assessment Report. Upon saving and continuing, a reference request will be sent to your referees at the provided email address.

Referees must be individuals who have had sufficient opportunity to assess your potential. It is your responsibility to ensure that your referees complete the Academic Assessment Report by monitoring the reference submission status on the U of T OGS application system. Note, both references must be complete and submitted to the system before you can submit your application.

Resending a reference request or changing a referee:
To resend or change a reference, click on "Remove Reference" only for that specific referee. You may then add a new reference or re-enter the referee information and click "Save and Continue" to send the request. If your referee would like to make changes to their submitted reference, you will need to remove and re-add them on this page so that they can resubmit their reference.

Copying a reference from a previous application:
If this is your second OGS application to U of T for this competition year, you may enter a new reference or "copy" a reference from your first application. The copy function is only available after the reference has been submitted to your first application. Therefore, it is recommended that you wait until the reference(s) have been submitted before completing this page of your second application.

FIRST REFEREE:

How would you like to provide your first Referee?

- Enter New Reference
- Copy from a previous application (if available)

First name: __________________________  Required
Last name: __________________________  Required
E-mail address: __________________________  Required

SECOND REFEREE:

How would you like to provide your second Referee?

- Enter New Reference
- Copy from a previous application (if available)

First name: __________________________  Required
Last name: __________________________  Required
E-mail address: __________________________  Required
Please specify a recommended deadline for your referees below. This date will be included in the e-mail request to your referees as a suggested completion date of the Academic Assessment Report.

Requested completion date (dd/mm/yyyy):

Once you click “Save and Continue” an email will be sent to your referees from “ogs@ogs.utoronto.ca” with the subject “OGS Reference Request from the University of Toronto”. Please ask your referees to check their spam folder if they cannot find it in their inbox.

OGS Reference Request from the University of Toronto

ogs@utoronto.ca - ogs@utoronto.ca

To: me

Dear Professor Tom Test,

Sam Sample is requesting your service to provide an Academic Assessment for the Ontario Graduate Scholarship competition in the Institute for Aerospace Studies at the University of Toronto.

This assessment is a required component of the candidate’s application and is being requested by the candidate for completion by December 1, 2018. If it is not submitted by this date, the candidate may not be able to complete the U of T OGS application by the graduate unit deadline and therefore will not be considered for this award at U of T.

Please note, this assessment will only be used for the OGS competition at the University of Toronto.

Please review the Step by Step instructions on how to complete the Academic Assessment.

When complete, click the “Submit” button and the assessment will automatically be added to the candidate’s application. The applicant will also receive an email confirming that you have submitted your assessment; however, the candidate will not have access to view the information you provided.

Click on the link below to access the Academic Assessment Form. If the link does not work, please copy and paste the link into your browser:

https://secure.saps.utoronto.ca/link/?loc

Thank you for accepting this request.

Sincerely,

School of Graduate Studies
University of Toronto
OGS Academic Assessment

Academic Assessment Report

Please complete the form below. Once completed, you will be asked to review your assessment before submitting it to the student’s application on the following page. Should you wish to leave this form and return to it later, you may access the form again using the link that was provided in the original email request.

Title: 

ACADEMIC ASSESSMENT

Carefully mark the category that best describes the candidate’s academic performance in relation to all students at a similar stage that you have previously evaluated. If you know the candidate in a professional capacity, please rank the candidate from that perspective. Please apply the strictest interpretations of the rankings indicated below. For example, the ranking of a candidate in the top category is expected to occur infrequently. In addition, please elaborate on the assessment or provide other relevant comments in the box provided below:
