7. You may **not** be a landed immigrant, a United States Citizen, a Canadian citizen or a Delta Kappa Gamma member.

APPLICATION

Please note: Use the *tab key* to move from field to field.

A complete application consists of the following components

I. APPLICATION

In the first six pages you will state biographical information, study objectives, curriculum vitae, and other information.

Often specific instructions for completing a question or item will be provided in the application. Please read all instructions carefully. In addition, please review the following important information.

Item 1—Name: It is very important that you list your name exactly as it appears (or will appear) on your passport.

Item 18—Institutions Attended: Please list all post-secondary institutions attended in reverse order (putting the most recently attended first). List all post-secondary institutions attended, even those from which you did not achieve a degree.

Item 30—Study/Research Objective: The study/research objective description, with a limit of 500 words, which you provide is an essential and highly important part of your application. You should take great care to write a clear and very detailed description of the program you want to pursue. Clearly identify the area(s) within your field of study in which you want to

specialize or concentrate. If there is specific research that you want to accomplish, please describe.

Item 31—Personal Statement: The personal statement, limit of 500 words, is a narrative statement in which you can include information about your education, practical experience, special interests, career plans, and your purpose in applying for study in Canada.

Item 32—Additional Information: This is not a required page; however, feel free to give additional information about you. If you intend to pursue a professional degree, e.g. business or law, it is recommended that you attach a professional resume. If you intend to pursue a theoretical, academic degree, complete curriculum vitae is useful.

Item 33-34—Personal Information: The information provided on this form will be used by the Delta Kappa Gamma office for internal purposes only.

II. SUPPLEMENTAL FORMS

1. Letters of Reference/Recommendation:

You must have three letters of reference (or recommendation) submitted on your behalf. Letters of reference are extremely important. All letters of reference should be written by teachers under whom

you have studied or pursued research or by someone who has supervised you in work related to your proposed field of study. Letters of reference should not be written by persons related to you either by blood or marriage or by personal friends. At least one academic and one professional or work-related letter should be included among the letters. The letters should be written in English if possible. If they are not, an original English translation must be provided.

III. SUPPORTING DOCUMENTATION

1. Transcripts:

Applicants must attach official, complete and certified academic documents covering the entire period of study at universities and other post-secondary institutions. Documents must be accompanied by complete official English translations. These documents must consist of:

- One certified official record (transcript) from each university or post-secondary institution you attended, even those schools from which you did not receive a degree or diploma. These transcripts should list the subjects you studied and the grades you received during each year of your enrollment. Include all post-secondary institutions you have attended, even those from which you did not receive a degree or diploma. Official transcripts must be submitted in sealed envelopes. Submit most recent transcripts.

- Certified, official evidence of each post-secondary or university degree, diploma or certificate awarded to you should be included as part of the completed application.

2. Copy of Student Visa – applicants must attach a copy of their Canadian Student visa to this application.
