STATEMENT OF ACKNOWLEDGEMENT OF TRADITIONAL LAND

We wish to acknowledge this land on which the University of Toronto operates.

For thousands of years it has been the traditional land of the Huron-Wendat, the Seneca, and the Mississaugas of the Credit River.

Today, this meeting place is still the home to many Indigenous people from across Turtle Island and we are grateful to have the opportunity to work on this land.

MS TEAMS - ASKING QUESTIONS

- We are recording this session to be available along with this slide presentation on the SGS OGS webpage under “Additional Info”: https://www.sgs.utoronto.ca/awards/ontario-graduate-scholarship/#section_5
- Quick clarification questions on a particular slide may be entered in the “chat” section during the presentation. Save all other questions to the end of the presentation
- For questions specific your personal background or eligibility, please review the eligibility requirements, then contact SGS by email at ogs@utoronto.ca if you have further questions.

PROGRAM OVERVIEW

ONTARIO GRADUATE SCHOLARSHIP (OGS)

The recording and slides for this presentation will be available on the SGS OGS webpage under “Additional Info”:

[https://www.sgs.utoronto.ca/awards/
ontario-graduate-
scholarship/#section_5](https://www.sgs.utoronto.ca/awards/ontario-graduate-scholarship/#section_5)

PROGRAM BACKGROUND

- The OGS program started in 1975 and has been providing merit-based scholarships to Ontario's best graduate students in all disciplines.
- The OGS program is jointly funded by the Province of Ontario (Ministry of Colleges and Universities / MCU) and the graduate units at the University of Toronto.
 - 2/3rd of each award session is funded by MCU
 - 1/3rd of each award session is funded by the graduate unit
- Each year the Ministry specifies how many awards each University in Ontario can award

PROGRAM BACKGROUND

- The Ontario Graduate Scholarship (OGS) program is designed to encourage excellence in graduate studies at the master's and doctoral levels at universities in Ontario
 - Value of the OGS: \$5,000 per session
 - 2-Session award: \$10,000
 - 3-Session award: \$15,000
- Each university in Ontario has its own application and procedure
 - For students applying to graduate school, OGS applications must be submitted to each university to which they are seeking admission for 2026-27
 - Must be held at the awarding University

GENERAL APPLICATION INFORMATION

- University of Toronto students or incoming applicants must apply for the OGS at U of T using the online OGS Application Form (SGS Forms Tool)
- Incoming applicants applying to multiple graduate units for admissions must submit separate applications to each graduate unit
- Internal deadlines are posted on the SGS OGS webpage

COMPETITIONS

- There are three OGS competitions per year.
 - International
 - Domestic
 - Indigenous

OGS INTERNATIONAL COMPETITION

- **Two level adjudication process**
 - Graduate unit adjudication
 - Graduate unit's awards committee will review all eligible applications received by their deadline and determine which applicants to nominate to SGS for central adjudication
 - SGS adjudication
 - The SGS awards committee will review all nominated applications and select the recipients of the scholarship
- U of T's allocation for OGS International awards this year is 22, and up to 20 Mary H. Beatty Fellowships (value: \$10,000 each) will also be awarded as part of the OGS International competition

OGS DOMESTIC COMPETITION

- **Single level adjudication process**
 - Graduate unit adjudication
 - Graduate unit's awards committee will review all eligible applications received by their deadline and select the top applicants to receive the scholarship and a short list of reversion candidates (alternates) in the event an offer is declined
 - SGS does final eligibility check to ensure the students are in good standing with OSAP and sends out official award offers
 - U of T's allocation for OGS Domestic awards is over 800 each year. Graduate units are each given a specific portion of the U of T total

OGS INDIGENOUS COMPETITION

- **Single level adjudication process**
 - SGS adjudication
 - All eligible applicants who have self-identified as Indigenous to Canada on their applications and have not been recommended by their graduate unit for an OGS through the domestic competition will be reviewed by the SGS awards committee
- As of 2023-24, U of T allocates:
 - a minimum of three OGS awards to Indigenous scholars.
 - McCuaig-Throop Bursaries (value: \$10,000 each for one year).
 - SGS Inclusive Excellence Graduate Scholarship – (value: \$10,000 each for one year).

OGS ELIGIBILITY TO APPLY

To be eligible, applicants must:

- Be a Canadian citizen, permanent resident of Canada, protected person, or international student
 - International students must have a valid study permit prior to their department's OGS international deadline
- Be enrolled in, have applied for, or will apply for full-time admission to an eligible graduate program at the master's or doctoral level at U of T
- Have achieved at least A- (or equivalent) average in each of the last two completed years of study (full-time equivalent); or if the student has completed two years of graduate studies at the time of application, must demonstrate an overall average of at least A- (or equivalent) on all graduate course completed
- At the graduate unit's discretion, exceptions may be made for highly meritorious applicants who are below the required GPA minimum. Examples of cases in which a unit may consider granting an exception include (but are not limited to): applicants with documented medical issues or family care responsibilities, applicants who have pursued alternative career paths, or mature students with professional experience. Contact your proposed graduate unit(s) to confirm their use of this eligibility criterion

GPA ELIGIBILITY EXAMPLE 1

- A- (or equivalent) in each of the last two completed years of study (full-time equivalent) **GPA Calculation example:**

	Session	# of Credits	Session Type	Sessional GPA
Most recent year of study	Winter 2025	2.5	Full-time	3.6
	Fall 2024	2.5	Full-time	3.8
	TOTAL	5.0		3.75
Second most recent year of study	Summer 2024	1.0	Part-time	4.0
	Winter 2024	1.5	Full-time	3.68
	Fall 2023	1.0	Part-time	3.5
	TOTAL	4.0		3.72

Note: You may check with the graduate unit, at which you are applying the OGS to confirm if your GPA average meets the minimum.

Applicants who have completed two years or more of graduate studies at the time of application.

- This example is a student who started the Master's program in Fall 2015.
- The program was a 2-year program and it was completed in Summer 2017.
- The student then started the PhD program in Fall 2017, which would be the student's 3rd year of graduate studies.
- Therefore, this student's GPA would only include grades received from graduate level studies.
- This student received an A for 0.5 FCE and an A- for a 0.5 FCE.

OGS ELIGIBILITY TO APPLY CONTINUED

- Have not exceeded the lifetime maximum of government-funded support or maximum OGS support available for their current level of study

Government lifetime maximum:

- Maximum of 6 years of government funding which includes – OGS, QEII, doctoral and master level awards from CIHR, NSERC, SSHRC, Vanier, and OTS

Program lifetime maximums:

- Students in master's level programs may receive up to two years of OGS/QEII in their lifetime
- Students in doctoral level programs may receive up to four years of OGS/QEII in their lifetime
- Program maximums are determined by the academic year rather than the award type

For example, if a master's student receives an OGS award in one academic year and a QEII-GSST award in a second academic year, they will have reached their program maximum

MAXIMUM FUNDING EXAMPLE

Student A's funding history

- Master's Level
 - 2019-20 OGS
 - 2021-22 SSHRC CGS M
- Doctoral Level
 - 2022-23 SSHRC CGS D
 - 2023-24 SSHRC CGS D
 - 2024-25 SSHRC CGS D
 - 2025-26 OGS

Maximum Funding Catgy	# of Years Funded	Eligibility Met?
Program Maximum – Master’s	1	✓
Program Maximum - Doctoral	1	✓
Government Maximum	6	✗

- This candidate is ineligible for the 2026-27 OGS competition, and may be eligible for other funding such as a Supervisor’s Research Stipend Grant

OGS ELIGIBILITY TO HOLD

To hold an OGS award, recipients:

- Must register and remain enrolled as a full-time student at U of T in an eligible program at the graduate unit from which the OGS was awarded
- Who withdraw, transfer to part-time status, complete degree requirements prior to the end of their award, or fail to complete the full session will be required to repay the funds received for the incomplete session
- **Domestic (including Indigenous) only** - Must be in good standing with the Ontario Student Assistance Program (OSAP)
- May accept research assistantships, part-time teaching positions, or other paid employment that does not affect their status as a full-time graduate student and is commensurate with graduate unit policies. Typically students holding full-time paid employment are not eligible to receive an OGS
- Cannot hold an OGS award in the same session (overlapping) or from the same award year as a scholarship from SSHRC, NSERC, CIHR, Vanier, QEII-GSST, or another OGS

OGS ELIGIBILITY TO APPLY & HOLD

- The eligibility criteria provided here are the minimum requirements only. Graduate units may impose additional criteria to apply, receive, or hold an OGS. Please inquire with your graduate unit regarding any additional requirements or conditions to those listed here.

The first section, 'Ontario Graduate Scholarship', is highlighted with a blue dashed border. It includes a description: 'Application form for a graduate award available to students at both the master's and doctoral levels to fund all disciplines of academic study.' and a 'START FORM +' button, which is further highlighted with a red solid border. The second section, 'SGS Award Payment Activation Form', describes a form used to activate/renew payment of specific awards and also features a 'START FORM +' button. The third section, 'SGS Conference / Research Travel Grant - Payment Activation', describes a form used to activate payment of a grant and shows an 'Ineligible' status with a message: 'You must be a graduate student registered in the current session.' and a disabled 'START FORM +' button. On the left side of the page, there is a sidebar with the 'SGSTest Student' header, a 'Logout' button, a 'FIPPA' status indicator, and a 'Forms' menu with options for 'My Forms' and 'New Form'.

1. PROPOSED STUDY FOR 2026-2027

Ontario Graduate Scholarship: Applicant Form

Ontario Graduate Scholarship (OGS)

Proposed Study for 2026-2027

Please provide information regarding the graduate unit and program to which you will (or intend to) be registered in for the next academic year. The information provided will determine where your OGS application will be sent for consideration at the University of Toronto. Please review the [OGS Application Instructions](#) for additional information.

Faculty (required)

Required.

1. PROPOSED STUDY FOR 2026-2027

- In this section, applicants should be describing the program they intend to be registered in for the 2026-27 academic year (not the current year)
- For example, there is a question that asks: **Year of Study**
 - Applicant should enter the year of study that they will be in for the **2026-2027 academic year**.
 - Therefore, if the applicant is currently in first year of the program (just started this September) they would enter “2”
 - If the applicant is applying for admission into a program to start next September 2026, they would enter “1”

2. APPLICANT PROFILE

- In this section applicants will need to declare their citizenship status in order for administrators to determine which competition the application will be reviewed in
 - Applicants who select their citizenship status as Protected person, permanent resident, or temporary resident visa/student stud permit, will need to indicate the date residency status was received
 - **Note:** Applicants applying for other awards that use the OGS application form and do not need to be demonstrate citizenship status may select “No status at time of application (ineligible for OGS/QEII-GSST)”
- Additionally, applicants will be asked if they self-identify as Indigenous or Black. If an applicant self-identifies as Indigenous or Black they may be considered for other award opportunities
 - Particularly for Indigenous to Canada students, in order to be considered for the OGS Indigenous competition, applicants must indicate they self-identify as Indigenous First Nation (Status/Non-Status), Métis, or Inuk (Inuit) in this section
 - Self-identification information is only available for administrative purposes and is not present on the PDF application view, and should not be seen by those adjudicating the application

Status

Current citizenship status (required)

Canadian citizen

Permanent resident

Protected person

Temporary resident visa/student study permit

No status at time of application (ineligible for OGS/QEII-GSST)

Indigenous students (Status or Non-Status).

Do you self-identify as an Indigenous Person? (required)

- ☐ Yes
- ☐ No
- ☐ Prefer not to answer

By providing this information you may be considered for awards available for Indigenous students (Status or Non-Status).

Do you self-identify as a Black student? (required)

- ☐ Yes
- ☐ No
- ☐ Prefer not to answer

By providing this information you may be considered for awards available for Black students.

3. ACADEMIC BACKGROUND

- Enter **all degrees** completed, in progress, or withdrawn from in the “Current and Previous Studies” section for a complete academic history
- Upload a single PDF file that includes transcripts from all postsecondary studies including transcripts from study abroad sessions, if the grades are not present in the “home” university transcript
- U of T transcripts must be uploaded even if the student is currently enrolled in a graduate program at U of T
- Legends must be included for all transcripts outside of U of T
- Digitally signed / certified / encrypted transcripts must **not** be uploaded. You may use freely available PDF software such as Adobe Acrobat Reader or a web browser such as Chrome to “print to PDF” in order to create an unencrypted “copy” of the file to upload
- Scanned unofficial, student-issued, or web transcripts (e.g., ACORN academic histories) are permitted

Do not upload digitally signed, certified or encrypted transcripts!

Instead, make a copy using Adobe Acrobat Reader (open with Reader and “print to PDF”).

*College, CEGEP and certificate program transcripts are optional and may be included if applicant finds it appropriate (e.g., relevant to program)

4. AWARDS & FINANCIAL AID

- Applicants must declare:
 - if they have previously held OSAP or CSL loan and if they are in good standing or not
 - how many previous federal and provincial awards they have held, declined awards should not be included in this section
- Applicants **must** indicate if they would like to be considered for other graduate award competitions – particularly the Queen Elizabeth II Graduate Scholarships in Science & Technology competition and/or awards for Black and/or Indigenous students

5. ACADEMIC ACHIEVEMENTS: RESEARCH CONTRIBUTIONS, RELEVANT EXPERIENCE & ACTIVITIES

- Maximum 2 pages, pdf attachment/upload
- Part 1.

Research Contributions: List of publications, presentations, posters, or other significant work that was submitted to an external organization (e.g., consulting report), applicants may use the referencing style for their discipline

- Part 2.

Relevant Experience & Activities: Applicants should describe the research/academic abilities that they have gained through their past research/academic experience. If they have relevant work experience, discuss the relevance of that experience to their proposed field of study/research and any benefits they gained from it.

Applicants may describe their professional, academic and extracurricular activities, interactions and collaborations that best demonstrate their communication, interpersonal and leadership skills.

Research Contributions, Relevant Experience and Activities

Please attach a copy of your Research Contributions, Relevant Experience and Activities as a single PDF document. It must meet the following requirements provided below.

General presentation:

- Body text in a minimum 12pt Arial (or similar) font
- Single-spaced, with no more than 6 lines of type per inch
- All margins set at a minimum of 3/4" (1.87 cm)

File requirements:

- File size cannot exceed 1 MB.
- 8 1/2" x 11" (216 mm x 279 mm) or A4 (210 mm x 297 mm)
- Maximum 2 pages (All information exceeding this limit will be omitted.)

ACADEMIC ACHIEVEMENTS: APPLICATION TIPS

- Reviewers look heavily at **PROGRESS**. Ongoing awards look good. Publications, historical grade trends, and **PRODUCTIVITY**
- Your contributions/role in a project, impact of the work, awards, presentations, research background, communication achievements, leadership roles (volunteer, elected positions, clubs, sports, etc.)
- Limit to university level achievements (i.e. after high school)

Check out the Academic Achievements section on the [SGS OGS Application Instructions webpage](#) for tips on how to put together the *Research Contributions, Relevant Experiences & Activities* 2-pager.

ACADEMIC ACHIEVEMENTS: LEAVE OF ABSENCE AND/OR SPECIAL CIRCUMSTANCES

- OGS adjudication committees take into consideration special circumstances that may have interrupted or delayed the completion of an applicant's current or a previous degree, affected applicants' research, professional career, record of academic or research achievement.
 - Specify the dates of the delay or interruption.
 - Relevant circumstances could include maternity/parental leave, child-rearing, illness, disability, cultural or community responsibilities, socio-economic context, health-related family responsibilities, trauma and loss, or the COVID-19 pandemic.
- Indigenous applicants are encouraged to use this section to describe special circumstances that could have had an impact on their academic or career paths.

All information provided to U of T is subject to the [Freedom of Information and Protection of Privacy Act](#). Applicants are reminded that the information included in this section of their application will be shared with selection committee members for consideration as part of their application. OGS reviewers cannot share this information outside of the merit review process.

6. PLAN OF STUDY

- Maximum 1 page + 1 additional page for citations/bibliography as a PDF file upload
- Research Based programs: A detailed description of the proposed research project for the period during which the award will be held. Must be as specific as possible without being too jargon-laden – can include Objectives, Outline, Methods, Procedures, Significance
- Course Based programs: A detailed plan including proposed course and any research work. Outline current stage of studies and what remains to be done and a rationale for engaging in graduate level studies

PLAN OF STUDY: TIPS

- Write a clear and concise research proposal that an **educated non-expert** could understand
- Give your proposal to as many people as possible to review – ideally a professor/ senior graduate student who can critique it
- Read the proposal **out loud** to yourself and others. If it doesn't sound natural, then it needs more work
- Engage the reviewer by highlighting the **Importance/Significance** – you want your reviewer to advocate for your application
- Max of 1 page PDF upload

Go the Plan of Study section on the [SGS OGS Application Instructions webpage](#) for suggested guidelines on writing your Plan of Study for those applying or currently in a [thesis or non-thesis](#) graduate program.

WRITING SUPPORT

- The following departments/faculties offer writing support through one-on-one consultations:
 - [Faculty of Arts & Science](#)
 - [Architecture](#)
 - [OISE](#)
 - [Health Sciences](#) (covering Kinesiology & Physical Education, Nursing, Pharmacy, Public Health PhD students, and Social Work)
- You may also visit the **Graduate Centre for Academic Communication**: <https://www.sgs.utoronto.ca/resources-supports/gcac/>. GCAC offers bootcamp/ intensive courses and workshops for proposal writing. They also offer one-on-one appointments to help review proposals
-

7. ACADEMIC ASSESSMENTS

- Each application must be accompanied by two Academic Assessments
- Faculty members or individuals who have had sufficient opportunity to assess the student's academic and research potential
- Current doctoral and master's level applicants with a supervisor/advisor should include their previous and current thesis supervisors/advisors as their referees
- Contact referees early to inquire about a positive reference
- Email them a summary of contributions and information you would like to have in the letter; the information should be different for your two referees; [Referee Instructions link](#)
- Send requests well before finishing your application and set a referee deadline at least a week or two before your graduate unit deadline – referees will not be able to see your online OGS application
- Check the status of the assessments & follow-up prior to the deadline
- Remember to give them a big thank you.

For each referee, ensure to enter First name, Last name and their Email in their respective field. All three fields are required before the referee email will be sent.

Both referees' information must be entered before you may click Next to complete this component and go the next page.

Two options:

1. Enter both referees' information to send their invitations at the same time.
2. If you would like to send one academic assessment email invitation first, complete one referee's information and click the SAVE button. When you are ready to enter your second referee, return to the Academic Assessment page of your OGS Form, enter the second referee's information and click NEXT.

7. ACADEMIC ASSESSMENTS

- **To delete/change** a referee, return to the **Academic Assessments** page of the applicant form. Above and to the right of each referee's name there will be a blue **Delete** button. Click **Delete** which will clear the referee's contact information and then click **Save** before entering any new information.
- Only after clicking Save, should you then enter the new referee's information. Please be very cautious when selecting these buttons as deleting a referee will permanently remove a completed academic assessment attached to your application. If you accidentally delete a referee and click **Save**, the assessment form will be deleted and the referee will need to complete the assessment again.

The screenshot shows a portion of a web form. At the top right, there is a blue button with the word "Delete" in white text, which is highlighted by a red rectangular border. Below this button, there are two input fields. The first is labeled "First name (required)" in a bold, dark font, and the second is labeled "Last name (required)" in the same style. Both input fields are empty and have a light gray border.

RETURNING TO YOUR APPLICATION

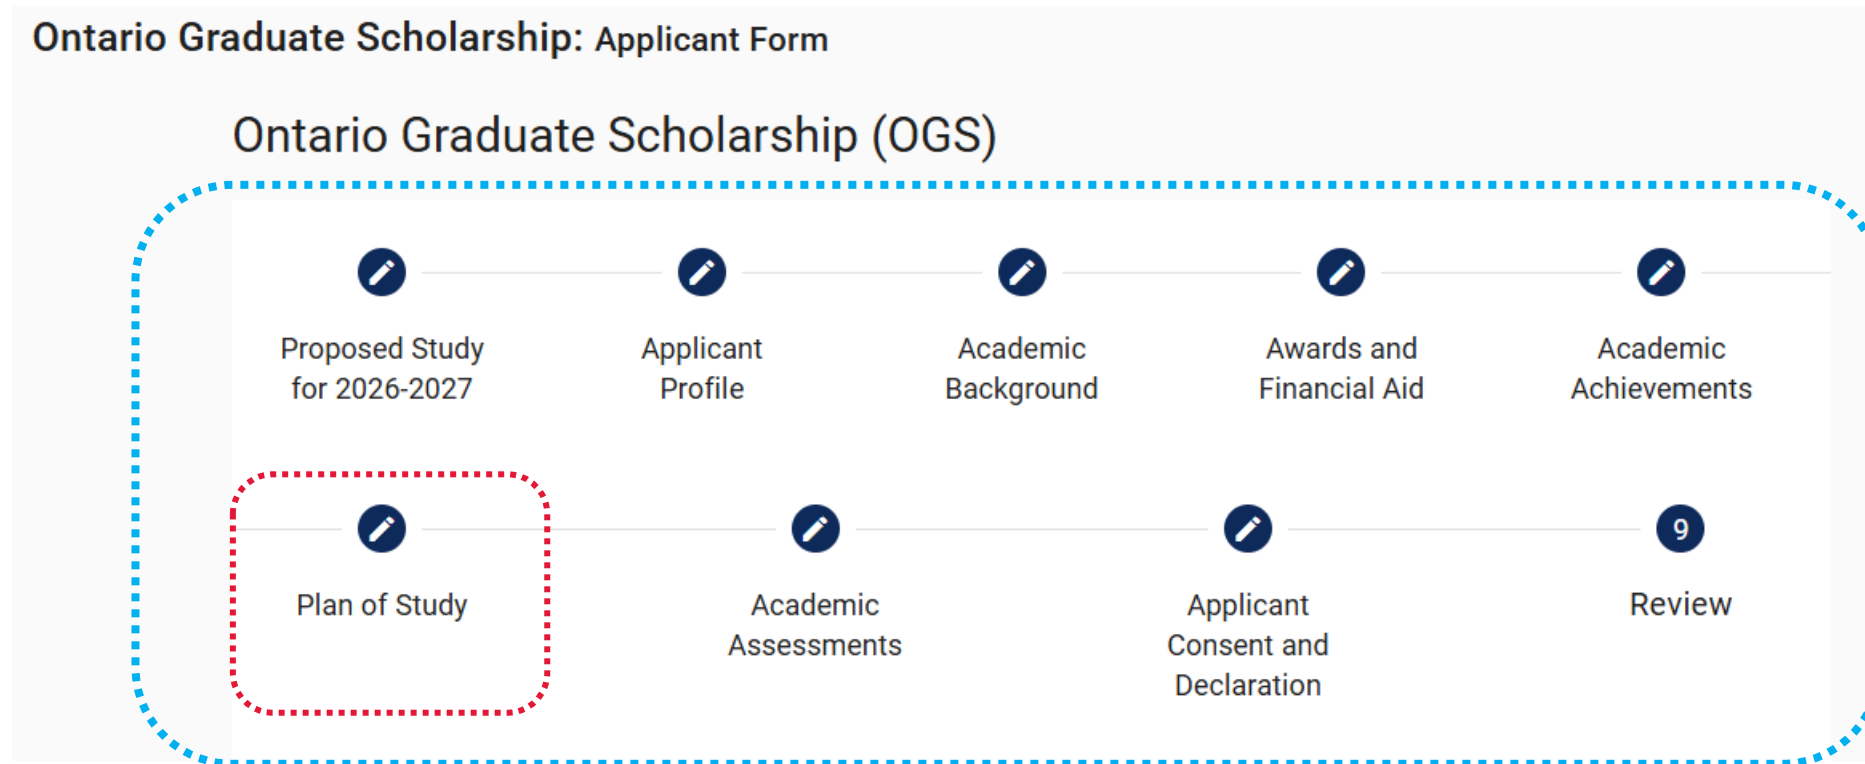

- You can save and leave your application and return to it at a later time
- Return to your “My Forms” page and **click** your application row to display the application components
- In the **Actions** column select the **View** button

Proposed Study for 2026-2027

Edit

Provide information regarding the graduate unit and program to which you will (or intend to) be registered in for the next academic year. The information provided will determine where your OGS application will be sent for consideration at the University of Toronto. Please review the [OGS Application Instructions](#) for additional information.

SUBMITTING

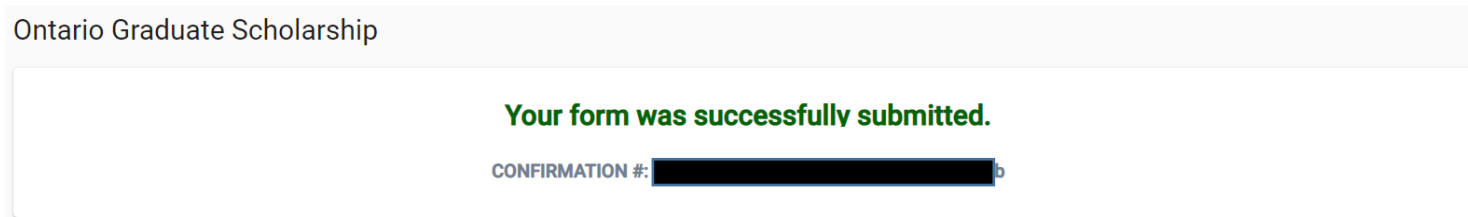

- If one or both of the Academic Assessments have not yet been submitted, a message will appear and the “Submit” button will not be available.

- Once all components are complete, the error message will no longer be shown and the Submit button will turn blue and be available. **Remember, once an application is submitted, no changes can be made.**

- Once the application has been submitted, a submission confirmation page will appear, and the status of the application should show “Received by Administrator”:

If you need to edit your submitted application, email your Graduate Unit to ‘unsubmit’ the OGS application form to you to make changes and resubmit.

WHAT HAPPENS TO YOUR OGS APPLICATION

- Once submitted, applications will be received and reviewed at the University (graduate department at U of T) where you intend to hold your OGS
- Internal departmental results (i.e., Outcome) available on application site by mid April (OGS international) and early June (OGS domestic)
- Official award notifications sent out by SGS end of May (only for Nominated OGS international) and July (only for Recommended OGS domestic)
- Payments are issued through ACORN

ADDITIONAL TIPS FOR MERIT-BASED APPLICATIONS

WHAT MAKES A GREAT MERIT BASED APPLICATION?

Advice from Graduate Awards Office & Prof. Malcolm Campbell - Former Vice-Principal Research, UTSC:

- Reviewers spend 6-8 minutes on each application. You have a short period of time to sell yourself on paper.
- Know the Selection/Evaluation Criteria – make sure you “hit” them all
- Review the [SGS OGS webpage](#)

WRITING STYLE/FORMATTING

- Make it easy for the reviewer to find key information
- Use headings
- Apply boldface or underlined text strategically
- Be clear, succinct, scholarly but understandable
- Be straight forward, emphasize strengths, not a time to be shy
- Follow formatting standards

REFERENCE LETTERS (AKA ACADEMIC ASSESSMENT)

- Must be very strong
- Be enthusiastic
- Provide additional information (skills and past achievements) and specific examples to demonstrate how your attributes and qualifications surpasses selection criteria & are worthy of the award
- Remind your referees to review the [Referee Instructions](#) webpage with additional details have been added to help guide referees on what to include in the content for the Assessment Details section

REMINDER: You can only submit your online OGS application when both assessments are complete.

You should give yourself enough time (e.g., at least a couple of days or even two weeks in advance) to receive the assessments and complete your application before your graduate unit deadline.

Tip: You can first send requests to referees well before finishing your application.

QUEEN ELIZABETH II GRADUATE SCHOLARSHIP IN SCIENCE AND TECHNOLOGY (QEII-GSST)

- The Queen Elizabeth II Graduate Scholarship in Science and Technology (QEII-GSST) program is designed to encourage excellence in graduate studies in science and technology.
- The University of Toronto issues approx. 170+ awards each year.
- Applicants must submit an OGS application to their proposed graduate unit using the U of T OGS Online Application and select “Yes” that they would like to be considered for other graduate award competitions in the “Governmental Award Applications in Progress” section of the Awards and Financial Aid step of the application.
- In addition to the OGS application, some departments/Faculties may have additional steps or forms to be completed in order to be considered for the QEII-GSST, particularly the Temerty Faculty of Medicine, please be sure to verify with the department/faculty
- For full TFoM QEII-GSST details please check out RHSE’s website:
<https://rhse.temertymedicine.utoronto.ca/tfom-qeii-gsst-competition>
