⁽¹⁾ Graduate units may establish earlier deadlines for completion of coursework and may prescribe penalties for late completion of work and for failure to complete work, provided that these penalties are announced at the time the instructor makes known to the class the methods by which student performance shall be evaluated.

⁽²⁾ The precise dates of commencement of courses are determined by the graduate units; students are urged to contact the relevant graduate units for information. SGS maintains the 13-week graduate instruction period; however, if a course does not fall into the traditional 13-week period, the graduate unit will inform students of important dates and deadlines in the course syllabus. The University welcomes and includes students, staff, and faculty from a wide range of cultural, traditional, and spiritual beliefs. As per the [Policy on Scheduling of Classes and Examinations and Other Accommodations for Religious Observances](#), the University will "...arrange reasonable accommodation of the needs of students who observe religious holy days other than those already accommodated by ordinary scheduling and statutory holidays." For more information, please refer to [Accommodations for Religious Observances](#). The obligation not to discriminate on the basis of religion is a statutory duty arising from the Ontario Human Rights Code, which carries an obligation to accommodate religious requirements.

Graduate students may only enrol in undergraduate courses with the approval of their supervisor or graduate unit. Students are responsible for meeting the deadlines and requirements of the undergraduate course as presented in class and in the undergraduate division's calendar. Graduate students will be graded under the graduate grading scale. Students should consult the appropriate undergraduate calendar for enrolment and dates.

Reading weeks for Faculty of Arts and Science undergraduate students take place November 5 to 9 for the Fall session, and February 18 to 22 for the Winter session. These are the dates which have been established for undergraduate students in the Faculty of Arts and Science. Not all Faculties offer reading weeks. To find out if your Faculty has a reading week, please contact them directly. SGS does not have a reading week.

⁽³⁾ A final thesis is the corrected, approved version of thesis which is submitted to SGS following the Final Oral Examination.

⁽⁴⁾ Students are considered registered when they have paid tuition and non-tuition fees or when they have completed the register without payment (fee deferral) process. A student's status will change from "Invited" to "Registered" on ACORN when registration is complete.

Students who successfully register without payment should arrange to make payments throughout the academic year as they receive funding from their scholarship, award, or other sources. Full payment of Fall/Winter session tuition and residence fees is due by April 30 at the latest.

Students registered in the Fall/Winter sessions are not normally charged Summer fees. For students starting in the Summer, fees will appear in your ACORN invoice accordingly.

⁽⁵⁾ This allows up to 10 business days for processing and recording of the fee payment in the student's ACORN account before the monthly service charge billing date for Unpaid Tuition and Non-Tuition fees.

⁽⁶⁾ For final dates for completing degree requirements, students should consult their own graduate unit.

⁽⁷⁾ Graduate units may establish earlier deadlines to add/drop courses but these dates must clearly be communicated to students. Please note that the last date to cancel a course or registration without academic penalty is not the same as the last date to be eligible for a refund.

⁽⁸⁾ Academic fees for full-time doctoral students in the final year of their program, and who are before their maximum time limit, are pro-rated based on the 12-month academic year plus sessional incidentals. Academic fees for doctoral students in the final extension year, and who are beyond their maximum time limit, are prorated based on 50% of the annual domestic fee for the 12-month academic year plus sessional incidentals. For details, visit [Final-Year Fees](#).

⁽⁹⁾ Students who start their program in the Summer and OISE students who are only enrolled in July/August Summer courses are required to register by this date by paying the minimum tuition amount stated in their invoice.
